

Compassionate, Sustainable Leadership

WFWP USA 24th Annual Assembly

August 9, 2016

Dear Friend of WFWP,

This year marks the 24th anniversary of the founding of the Women's Federation for World Peace USA (WFWP). On **November 11th 12th and 13th**, WFWP will hold its National Assembly with this year's theme, *Compassionate, Sustainable Leadership- Women Making and Impact*, at the beautiful Crowne Plaza Hotel in Fairfield, New Jersey.

This two-day assembly is designed to:

- inspire women to make a difference in their own lives and communities,
- engage women in meaningful activities, and
- support women with tools to strengthen and empower them to be successful leaders within their families, communities, nations, and in the world.

WFWP would like **to offer an opportunity for your business or organization to be involved** and engaged in these meaningful events. The National Assembly gathers hundreds of people from across the nation each year with significant attendance from New York and New Jersey. Hence, this is a wonderful marketing opportunity for your business' products and services on a national stage. It will also provide inspiration for participants about which organizations honor and support WFWP.

Monetary donations, program segment sponsorship or paid advertisements (with the attached form) are most desirable. Please review the attached document to decide where your contribution will be impactful. Specific sponsorship of a table of ten, or a donation to one of our service projects is welcomed. In-kind donations are welcomed too, please contact our office with the information below, or contact our local Director for more information.

If you have a woman in your life that you want to empower and uplift, WFWP is the perfect place. Your support is greatly appreciated and will help advance a culture of sustainable peace and prosperity for all.

To learn more, visit www.wfwp.us where you can also register and have an inspiring experience.

Warmly,

Christine Rapada,
National Assembly Fundraising Director
